Dear Readers,

Welcome to the 2nd annual edition of the Dresden Area Business Registry! With this registry it is our hope that every consumer or business will consider calling or using a local business for whatever their needs: wedding or birthday gift, flowers, food, groceries, hair dresser, carpenter, groomer etc. The Dresden Business Registry lists all Dresden businesses in alphabetical order by category. We hope that everyone in the Dresden area will begin using this new resource to shop local!

We tried to make sure we included all Dresden businesses in this registry. If you are aware of any that we may have missed, or you notice an error, please let us know so we can fix the listings for next year's publication.

Thank you,

The Dresden Community Association

What is the Dresden Community Association?

The Dresden Community Association, or DCA, is a group of business owners and leaders who work together to revitalize and promote the village of Dresden, Ohio.

Annual events like the Dave Longaberger Legacy Dinner and Dresden Christmas Parade are organized by the DCA. The DCA also distributes tourism information and manages bus groups who visit the village of Dresden. The DCA operates the Destination Dresden website, destinationdresden.com, to promote tourism. For more information about the DCA, or to become a member please visit dresdencommunityassociation.com.

This registry is in memory of Stephen Miller. Thank you for all that you have done to support the DCA and the Dresden community.
